

PRODUCTION & RENTAL

Staging Concepts offers the most advanced durable and lightweight equipment in the industry.

Staging Concepts designs and customizes staging solutions to perfectly meet the needs of production and rental companies. From substantial stage setups to staging for small events, we design and build versatile production equipment. Our equipment is of the finest quality, requiring no tools, making it easy and efficient for setup and tear down. Each product is designed to withstand the harshest of weather conditions, guaranteeing that any product we provide will last for years to come.

QUALITY

Because our in-house design team consists of experienced engineers, we have the expertise to produce superior products.

DURABILITY

We have a proven track record of more than 30 years of manufacturing products that are designed to last.

CUSTOM

Staging Concepts is known for its ability to come up with creative solutions for any facility or venue needs.

FULL SERVICE

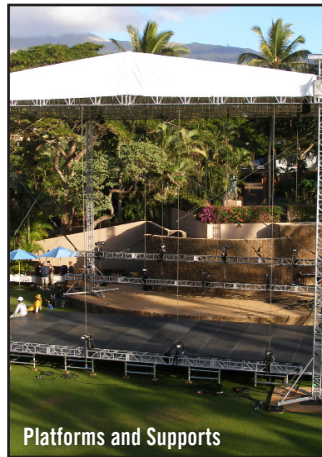

We guarantee full service in budgeting, custom drawings, manufacturing, project management, and installation.

INTERNATIONAL

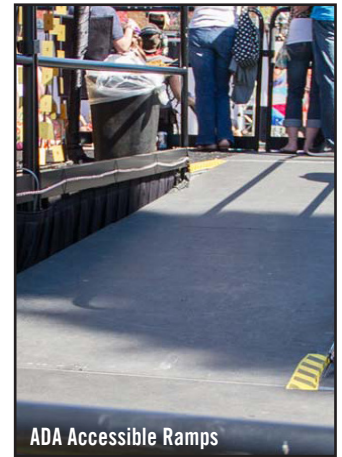

We have the capability to deliver projects worldwide. We provide superior customer service to clients internationally.

Platforms and Supports

Temporary Stair Units

ADA Accessible Ramps

PRODUCTS & BENEFITS

- Multiple products are suitable for production/rental solutions. Common products include: Platforms, supports, guardrails, stair units, barricades, and ADA ramps.
- Equipment is fully field repairable.
- Platforms hold 150 lbs. psf.
- Platform surfaces available in a wide variety of options, including HDPE, pylon, carpet, acrylic, and custom preferences.
- Both weather resistant and weatherproof platform options available, making them ideal for indoor and outdoor use.
- Custom solutions available for all products with the assistance of our onsite designers and engineers.
- Our equipment meets ADA requirements and IBC codes.
- With our partners, we offer the widest variety of chair options, available for both indoor and outdoor functions.
- Crowd control barricades available in both steel and aluminum; and ideal for large or small events to manage groups of people.
- We keep commonly requested items in stock to provide quick turn shipments for last minute needs.
- Our customer service team is quick to respond to all inquiries.
- We look forward to working with you!
