

AROUND THE WORLD

Staging Concepts is the industry leader in portable staging equipment. Since 1990, we've provided superior staging solutions across the globe. Our company, including devoted engineers and talented sales executives, strive to ensure that we produce the most advanced modular, lightweight custom staging systems in the industry. Time and time again we have proven to provide superior customer service and quality products to clients all around the world.

QUALITY

Because our in-house design team consists of experienced engineers, we have the expertise to produce superior products.

DURABILITY

We have a proven track record of more than 30 years of manufacturing products that are designed to last.

CUSTOM

Staging Concepts is known for its ability to come up with creative solutions for any facility or venue needs.

FULL SERVICE

We guarantee full service in budgeting, custom drawings, manufacturing, project management, and installation.

We stand behind the quality of our products.
